2. Click blue “Conference Registration” button.

The screenshot shows the WEAI member profile for Julie A. Barie. The profile includes a photo, name, and contact information. The membership status is listed as 'COMPLIMENTARY INDIVIDUAL MEMBERSHIP PRINT' with an expiration date of 12/31/2024. The sidebar on the right contains several buttons: 'Join/Renew Membership', 'MEMBERS: Online CEP Access', 'MEMBERS: Online EI Access', 'Journal Submission Fee', 'Conference Registration' (highlighted with an orange box and an arrow), and 'Abstract Submission'. A note below the sidebar buttons states: 'Note: Before starting your abstract submission, verify that your name, affiliation, and email are correct as those will be passed through to the conference platform.'

3. At the beginning of the registration process, answer YES to the question about being in an organized session. This will give you the member rates regardless of your membership status.

The screenshot shows the WEAI registration process for Etsuko Barie. The process is shown in six steps: Custom Information, Information, Related Items, Review, Submit, and Confirmation. The 'Information' step is highlighted. The registration form asks for personal information and session details.

WEAI Annual Conference Registration

We are excited you'll be joining us for the 97th Annual Conference! If you plan to submit a volunteer paper abstract, be sure the submission fee is selected when you get to the 'related items' portion of the registration process. You'll be offered the opportunity to join or renew your membership at this time as well and hope you choose to do so! So that we can be sure to include the right items and prices in your order, we need to ask a few questions (if you plan to submit an abstract, the same questions may be asked again so we apologize ahead of time for the duplication).

1 Are you a full-time student?: No

2 Are you in an organized session?: Yes

3 Do you plan to participate in-person or in virtual-only sessions?: In-person

- Click REMOVE FROM CART on the Volunteer Abstract Submission fee as this fee is waived for papers in CEP sessions. We invite you to join/renew your membership at this stage. Although it is not required for participation on the program, you will need to be a current member to take advantage of the journal submission fee waiver for your conference paper if you submit to EI or CEP within six months of the conference.
